

# Better With the Lights Off (feat. Chris Brown)

## New Boyz

You're a dime, so beautiful  
Top of the line, so unusual  
Words can't define,  
You're running through my mind all day  
I'm so happy you're mine, so beautiful  
Top of the line, so unusual  
Now I think it's time, hey Shawty  
I hope you don't take this the wrong way[Chorus]  
Girl you look better with the lights off,  
Better with the lights off ooh  
Girl, you look better with the lights off,  
Better with the lights off ooh  
Better with the lights offHey miss America, what you look so sad for?  
Sweetheart you only live one time  
So put your fantasies on flash forward  
Like gone speed me up, got a deadline, cause you need me done  
I hate your type I love you too,  
I bite your swag cause I wanna do youCan't blame me babe  
If you and me were close girl I'd make a change  
To your lingerie, right like that, lalala make your eyes roll back  
I mean you really fine though,  
I just wanna see you with the lights off  
Every guy wanna know how it is  
To clap off the lights and turn Khloe to KimYou're a dime, so beautiful  
Top of the line, so unusual  
Words can't define,  
You're running through my mind all day  
I'm so happy you're mine, so beautiful  
Top of the line, so unusual  
Now I think it's time, hey shawty  
I hope you don't take this the wrong way[Chorus]Uh, drive off to take my girl to have a nice day  
She was nice so I let her hang my way  
You look cute girl, what you wanna do girl?  
Drive to my house cause it's only me and you girl  
Checking her out, she had to put her swag on  
Acting too happy saying she ain't going back home  
I'm like wow, whatever you say,  
But whatever you plan gotta be done at eightNext stop,  
Party at my place, of course you're welcome girl, you ain't taking up space

We get there, and shawty still looking right,  
She attacked me, but wait let me dim the lights  
You look different, she's like boy stop it  
No, I ain't playing actually you more poppin'  
That's shocking, know what's really raw  
All over baby even the lights off You're a dime, so beautiful  
Top of the line, so unusual  
Words can't define,  
You're running through my mind all day  
I'm so happy you're mine, so beautiful  
Top of the line, so unusual  
Now I think it's time, hey shawty  
I hope you don't take this the wrong way [Chorus]
