

Everybody Needs Somebody To Love

The 13th Floor Elevators

[Spoken:]

I'm so glad to be here tonight and I'm so glad to be home.
And I believe I've got a message for every woman and
Every man here tonight that ever needed somebody to love
Someone to stay with them all the time, when they're
Up and when they're down. You know, sometimes you get what you want
And then you go and lose what you have
And I believe every woman and every man here tonight listen to my song
And it save the whole world.

Listen to me.

Everybody wants somebody
Everybody wants somebody to love
Someone to love
Someone to kiss
Sometime to miss, now
Someone to squeeze
Someone to please
And I need you you you
I need you you you
I need you you you
I need you you you Oh, sometimes I feel like
I feel a little sad inside
My baby mistreats me
And I kinda get a little little mad
I need you you you
To see me through, babe
When the sun go down
Ain't nobody else around
That's when I need you baby
That's when I say I love you
That's when I say I love you
Let me hear you say yeah
Let me hear you say yeah
Let me hear you say yeah
Let me hear you say yeah I need you you you you
Somebody to see me through, baby
I need you you you
I need you you you
I need you you you When the sun goes down

Ain't nobody else around
That's when I'm all by myself
That's when I need your lovin' darlin'
That's when I need you so bad
You're the one I really need bad (?)I need you
