

Hold My Breath (Falty DL Remix)

Holy Ghost!

When I look around at all my friends
And I think of what I said to them
And I guess for once I can't pretend
So I hold my breath What a perfect chance to start again
Through the TV set, we don't need it
And I guess for once I can't pretend
So I hold my breath, whoa oh oh oh When I look around and I am not at home
From the TV set, you're not alone
And I guess for once I got no regrets
So I hold my breath Stop looking out for someone else
When you are inside there is no reason
And I guess for once I can't pretend
So I hold my breath, so I hold my breath Take some money from the joint account
I know, I know I know I am running out but
I found a woman in a photograph
Good guess, good guess, good guess so
I hold my breath Take some money from the joint account
I know, I know I know I am running out but
I found a woman in a photograph
Good guess, good guess, good guess so
I hold my breath Take some money from the joint account
I know, I know I know I am running out but
I found a woman in a photograph
Good guess, good guess, good guess so
I hold my breath Take some money from the joint account
I know, I know I know I am running out but
I found a woman in a photograph
Good guess, good guess, good guess so
I hold my breath Take some money from the joint account
I know, I know I know I am running out but
I found a woman in a photograph
Good guess, good guess, good guess so I
