Dancer

Rainbirds

She looks out of the window
Wants to stand in the crowd she looks out
Of the window
She looks out of the window
Wants to wave whirl and shout she looks out
Of the window
She looks out of the window
Wants to ride with the wind she looks out
Of the window
And now she takes controlI'm the dancer, move so fine
I'm the dancer
I'm the dancer, moving rightShe looks out of the window
Wants to stand in the light she looks out
Of the window
She looks out of the window
Wants to win at first sight she looks out
Of the window
She looks out of the window
Wants to fly like a bird she looks out
Of the window
And now she takes controlI'm the dancer, move so fine
I'm the dancer
I'm the dancer, moving rightShe looks out of the window
Wants to stand in the crowd she looks out
Of the window
She looks out of the window
Wants to reach for the stars she looks out of the window outOut of the window
Wants to play every role out she looks
Now she takes controlI`m the dancer move so fine
I`m the dancer come on watch me now
I`m the dance I wanna move alright
yeah in the evening oh as I move at night
I`m the dancer ooh yeah oh nanana
I`m the dancer baby you got to watch me watch me look at me... watch
look at me now come on come on watch me
I`m the dancer baby i wanna move so fine
yes i can do anything i want
