Is You Feelin' Me?

3lw

Boy you know, you got me really feelin' you
I don't know what you doing to me
But keep it up, keep it up
What you doing to me
Boy you know, you got me really feelin' you
I don't know what you doing to me
But keep it up, keep it up
What you doing to me
I see him almost every day
I wonder if he has a girl but it really don't matter to me
'Cause I've been waiting all this time
Waiting for the day when I could finally make him mine
He's mine, he's mine
All mine, so fine, in due time
I'll be rollin' with him ridin' shotgun
Listening to him tell me baby you're the one, yeah
Tell me is you feelin' me? I like what you do
Hope you can feel me like I feel you
Boy you know, you really got me going crazy
Forget about them other girls, come and get with me
Tell me is you feelin' me? I like what you do
Hope you can feel me like I feel you
Boy you know, you really got me going crazy
Forget about them other girls, come and get with me
Now baby tell me what's the deal
Put the games aside, I'm just tryna keep it real
Ready to put in work
On a relationship, trying to end this love search
You're the one for me
Can't you see, baby
I ain't tryna to sing a little episode
I'm so into you body, mind and soul
Tell me is you feelin' me? I like what you do
Hope you can feel me like I feel you
Boy you know, you really got me going crazy
Forget about them other girls, come and get with me
Tell me is you feelin' me? I like what you do
Hope you can feel me like I feel you
Boy you know, you really got me going crazy

Forget about them other girls, come and get with me
All the guys I could have
But I'm checkin' for you
So don't let me, slip away
You ain't never had good love
'Til you had some of my love
So I'm hopin' that you feel me
Like I'm feelin' you
Tell me is you feelin' me
Want you to be feelin' me
I hope that you feelin' me
Baby is you feelin' me?
Want you to be feelin' me
I hope that you feelin' me
Baby is you feelin' me?
Tell me that you feelin' me
Uh-huh, uh-huh
