You Don't Love Me

Matthew Sweet

What a beautiful moment?
The truth comes out at last
Once your heart would own me forever
Then this passedAnd what a beautiful moment?
As my head comes apart
Drunk and in a manner of saying
Wasted'Cause you don't love me, you don't love me
You can't see how I matter in this world
Even though I loved you
You can't believe that
If you find something
You think might make you happy
Then I guess it's okay, I think it's okay
If you go awayBlown right out of my senses
I did not know what to do
Lost and badly wanting someone
To see me through that's why I needed youYou don't love me, you don't love me
You can't see how I matter in this world
Even though I loved you
You can't believe that
You think that leaving
Is what will make you happy
Then I guess it's okay, I think it's okay
If you go away'Cause you don't love me, you don't love me
You can't see how I matter in this world
Even though I loved you
You can't believe that
You think that leaving
Is what will make you happy
Then I guess it's okay, I think it's okay
If you go away'Cause you don't love me
You don't love me
You don't love me
You don't love me
