We Exist

prot0type

They're walking around
Head full of sound
Acting like
We don't exist
They walk in the room
And stare right through you
Talking like
We don't exist
But we exist
Daddy it's true
I'm different from you
But tell me why they treat me like this?
If you turned away
What would I say?
Not the first betrayed by a kissMaybe it's true
They're staring at you
When you walk in the room
Tell 'em it's fine
Stare if you like
Just let us through
Just let us through
Na na na na na na na
Na na na na na na naThey're down on their knees
Begging us please
Praying that we don't exist
Daddy it's fine
I'm used to 'em now
But tell me why they treat me like this?
It's cause we do it like thisNa na na na na na na
Na na na na na na na
Maybe it's true
They're staring at you
When you walk in the room
Tell 'em it's fine
Stare if you like
Just let us through
Just let us throughLet 'em stare! Let 'em stare!
If that's all they can do!
But I'd lose my heart

If I turned away from youOh Daddy don't turn away
You know that I'm so scared
But will you watch me drown?
You know we're going nowhere
We know that we're young
And no shit we're confused
But will you watch us drown?
What are you so afraid to lose?Down on your knees
Begging us please
Praying that we don't exist
You're down on your knees
Begging us please
Praying that we don't exist
We exist!
We exist!Down on your knees
Begging us please
Praying that we don't exist
You're down on your knees
Begging us please
Praying that we don't exist
We exist!
We exist!
We exist!
We exist! Na na na na na na na, na na na na na na na, na na na na na na naMaybe if you hang together
You can make the changes in our hearts
And if you hang together, you can change us
Just where should you start?
