You're So God Damn Beautiful

Burden Brothers

Yes you know my love I'm giving up
I just can't do it
I gave my soul, my one and all
And still I blew itWell I love you so much, I love you so hard
It's like I don't have a name
And still my love is not enough
And I'm to blameLook at me now, I'm a wreck
I'm down on my knees, everyone knowsYou're so god damn beautiful
You're so god damn beautiful
You're so god damn beautiful
You're so god damn beautifulNow I know everybody goes
Through a little hell sometimes
But it's a sin, the shape you left me in
When you kissed me goodbyeYou took my heart, tore it all apart
And I took your medicine, yeah
You got no soul, me no self-control
Here I go againLook at me now, I'm a wreck
I'm down on my knees, now everyone knowsYou're so god damn beautiful
You're so god damn beautiful
You're so god damn beautiful
You're so god damn beautifulYes you are
Here we goYou know my love I'm giving up
I just can't do it, woahYou're so god damn beautiful
You're so god damn beautiful
You're so god damn beautiful
