

Can You Feel the Love Tonight?

Simply Saxophone

There's a calm surrender to the rush of day
When the heat of a rolling wind can be turned away
An enchanted moment and it sees me through

It's enough for this restless warrior just to be with youAnd can you feel the love tonight?

It is where we are
It's enough for this wide-eyed wanderer
That we got this farAnd can you feel the love tonight?
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very bestThere's a time for everyone if they only learn
That the twisting kaleidoscope moves us all in turn
There's a rhyme and reason to the wild outdoors

When the heart of this star-crossed voyager beats in time with yoursAnd can you feel the love tonight?

It is where we are
It's enough for this wide-eyed wanderer
That we got this farAnd can you feel the love tonight?
How it's laid to rest
It's enough to make kings and vagabonds
Believe the very bestIt's enough to make kings and vagabonds
Believe the very best
