

# Ok

## Freak Kitchen

Transparent,  
a black hole of emptiness  
expectations that will  
turn you into a permanent mess Just drop it

You're OK

You're OK Projecting,  
all those failures  
chokes your energy

Little by little  
you fade into passivity Just drop it

You're OK

You're OK

You're OK

You're OK

Respect yourself

Protect yourself

Respect yourself

Protect yourself Makes me sad to see  
how desperatately you try

It won't change a single thing

as life passes you by Just drop it

You're OK

You're, you're OK Respect yourself

Protect yourself

Respect yourself

Respect yourself

Protect yourself

It's all OK Respect yourself

Protect yourself

OK, OK
