Maybe I Know

Lesley Gore

Maybe I know that he's been cheatin'
Maybe I know that he's been untrue
But what can I do?

I hear them whispering when I walk by
"He's gonna break her heart and make her cry"
I know it's me they're talking about
I bet they all think I'll never find out

Ohh but maybe I know that he's been cheatin'
Maybe I know that he's been untrue
But what can I do?

My friends are telling me that he's no good
He isn't treating me the way he should
He really loves me that's all I can say
Before my tears fall I just walk away

Ohh but maybe I know that he's been cheatin'
Maybe I know that he's been untrue
But what can I do?

Deep down inside he loves me
Though he may run around
Deep down inside he loves me
Some day he'll settle down

Ohh maybe I know that he's been cheatin'
Maybe I know that he's been untrue
But what can I do?

He really loves me that's all I can say
Before my tears fall I just walk away

Ohh maybe I know that he's been cheatin'
Maybe I know that he's been untrue
But what can I do?

Ohh maybe I know that he's been cheatin'
Maybe I know that he's been untrue

But what can I do?
