

In the City

Kutless

Bless this city in Jesus' name
Let Your healing fall like rain
God You gave us everything
May Your church do more than sing Bless this city in Jesus' name
Wake up every heart You've changed
Help us be Your hands and feet
May Your love flood every street Father, make us one
Let Your kingdom come in the city
Glorify Your Son
Let Your will be done in the city
In the city Bless this city in Jesus' name
Tear down walls we've built in vain
Let our kingdoms be replaced
With unity that shows Your face Father, make us one
Let Your kingdom come in the city
Glorify Your Son
Let Your will be done in the city
In the city
In the city Father, make us one
Let Your kingdom come in the city
Glorify Your Son
Let Your will be done in the city
In the city Bless this city in Jesus' name
Let Your healing fall like rain
God You gave us everything
May Your church do more than sing
