

Looking for Another Pure Love

[Stevie Wonder](#)

Never tears or sorrows came before me in my mind
I had no problems, never a problem in my life
Never a worry on my mind All my days before today were happy
And secure until your phone call
You were tellin' me goodbye Now I'm lookin' for another love
I'm lookin' for another pure love in my life
And I'm lookin' for another love
I'm lookin' for another pure love in my life Now the wheel of fate has turned
I'm worried 'bout the new love you've discovered
He is a problem in my life
I have a problem on my mind Things you cherish most in your life
Can be taken if they're left neglected
Leavin' a problem in your life 'Cause now I'm lookin' for another love
I'm lookin' for another pure love in my life, ooh
And now I'm lookin' for another love
And now I'm lookin' for another love
I'm lookin' for another pure love in my life, ooh
I'm lookin' for another love
I'm lookin' for another pure love in my life
