Forgotten

Wideawake

I know that love is more than a feeling
but I'd give anything to touch you now
I wish that I could get to you somehowNot so long ago upon the mountains
But now the valley has become my home
Whatever happened to the love I used to know?No no no
I have not forgotten
I will never let you go
I have not forgotten youThis argument is never ending
so many words that I cant keep track
so many things I've said I cant take back
can such an evil be forgiven
Are we just taking turns holding on
Why are we here, if our love is gone?No no no
I have not forgotten
i will never let you go
I have not forgotten you
No no no
No no noI'm all alone in the silence
I listen for what i should do
Let go of my pride and run to you
No no no
I have not forgotten
I will never let you go
I have not forgotten youNo no no (i have not forgotten)I know that love is more than a feeling
but I'd give anything to touch you now.
