

# I Don't Know If It's Right

Evelyn "Champagne" King

I dont know if its right  
To let you make love to me tonight  
I dont know if I should  
Give my love to you when I know youre no goodIve got to make sure its alright  
If I should let you love me tonight  
Before I let you kiss me I got to get the situation in hand  
Cause I dont want you just to be another man, whoa, whoa, whoaI dont know if its right  
To let you make love to me tonight  
I dont know if I should  
Give my love to you when I know youre no goodPeople tell me that you really know the right things to say  
Especially when youre tryin?to get your way  
Song text taken from stlyrics.com  
Gotta be careful, gotta be smart, gotta watch out for my heart  
I dont want it to be broken right from the start, oh, oh, oh, ohI dont know if its right  
To let you make love to me tonight  
I dont know if I should  
Give my love to you when I know youre no goodOh, baby  
Yeah...hey...hey...  
Oh, oh, oh, ohI dont know if its right  
To let you make love to me tonight  
I dont know if I should  
Give my love to you when I know youre no goodI dont know if I should  
Give it to you when I know youre no good  
If its right  
I just dont know, no, hey..hey...
