

# I Had Enough

Francine

I see right through your games  
I know what's going on  
You need a desperate change  
You think you're the only one.

You got no sanctuary - as far as I can see  
You've got no power over me I disagree.

Set things straight - I'm gonna set things straight  
I've had enough  
You and me are gonna set things straight  
I've had enough

I've got no time for this  
My life is passing by  
There's nothing that I'll miss  
It's time to say goodbye.

I've had enough  
'Cause you're too much  
I've had enough  
you're just too much.
