Look To The Stars

Semi Precious Weapons

When the sun sets, no matter where we are
When the sun sets, we can look to the starsI'll keep your silver sterling
I'll keep your bridges burning
I'll keep your day dreams turning
Even when you're hurting, even when you're hurtingI'll turn your shout to stellar
I'll make tonight forever
You'll feel the darkness never
Never ever, ever
Never, ever, everWhen the sun sets, no matter where we are
When the sun sets, we can look to the stars
Look to the stars
Look to the stars, look to the stars
Look to the starsI'll keep our love from breaking
I'll keep your heartbeat racing
I'll keep our blood rush chasing, only if you make me
Only if you make meWe'll beat the odds together
We'll weather all the weather
We'll lose our way not never
Never ever ever,
Never, ever, everWhen the sun sets, no matter where we are
When the sun sets, we can look to the stars
Look to the stars
Look to the stars, look to the stars
Look to the starsI know, I know, I know you won't find better
I know, I know, I know you won't find better
Ever ever ever, never ever ever, never ever ever
Never ever everWhen the sun sets, no matter where we are
When the sun sets, we can look to the starsWhen the sun sets, no matter where we are
When the sun sets, we can look to the stars
Look to the stars
Look to the stars, look to the stars
Look to the stars
