You Walk In My Soul

[Gary Numan](#)

When my eyes first saw you
A vision
My heart missed a beat
And I criedI knew then I loved you
And I do
Now you are my reason
For livingAnd now you walk in my soul
You dance in my heart
You draw breath for me
I'll stand by your side
I'll kneel at your feet
Share my life with meI've waited years, I've waited
All my life for you
You are my world, all of my dreams
And I need youI'll love you forever
And a day
I'll love you till God comes
And takes me awayYou sing to my soul
You play with my heart
You breathe life for me
I'll always be yours
And I'd die for you
Share my life with meI can't believe how much you mean
To me and so
Pick up a piece, a piece of my heart
And stay with me
