Father's Eyes

Mark Schultz

Verse 1
Tomorrow she?ll be turning 17
But somehow now the mirror has become her enemy
Feelin like she?ll never measure up
Feelin like she?ll never be enough
Chorus
In her Father?s Eyes, he is taken by her beauty
And captivated by her every time
In her Father?s eyes, he is longing just to tell her
She?s never been more lovely in her life
If only she could see herself one time
In her Father?s eyes
Verse 2
He?s on the edge of giving up tonight
He?s feelin like he?s wasted the best days of his life
Afraid he?ll never be the man he thought that he could be
When he looks inside he?s so ashamed of who he sees
Chorus
But in his Father?s eyes he is a son of glory
The image of a strong and mighty king

In his Father?s eyes, there?s more left in the story
He?s fighting hard to hold back tears of pride
If only he could see himself tonight
In his Father?s eyes
So no matter where you are
And no matter what you?ve done
You?re not alone
You?re not alone
And no matter where you?ve been
And no matter where you?re from
Come back home
Come back home
Chorus
?Cos in your Father?s eyes, you?re loved with such abandon
He?s running to you now arms open wide
In your Father?s eyes, you?re safe and you?re accepted
There?s nothing you can do to change His mind
If only you could see yourself one time

If only you could see yourself one time
In your Father?s eyes
In your Father?s eyes
