Grace

solomon lange

Amazing grace is the sweetest sound
That saved my life
I once as lost, but now am found
Was blind but now I see
He took my shame, he took my pain
My Jesus gave me his name
Now I reign, I reign with him
All my days I'll sing his praise

CHORUS
Everywhere that I go
Everything that I do
All I see his grace 2x
Grace grace grace
I see Grace
Grace Great Grace
All I see is Grace

2. Amazing grace Amazing grace
is the story of my life
Is not by spirit, Is not by might
Is not by power, Is not by skill
Divine help is what I enjoy
Am not afraid of tomorrow
I have great grace

Repeat chorus

Vamp:
The hand of the lord
Is at work in my life
The spirit of Yaweh
Is at work in my heart.

Interlude

Repeat chorus
