Strong

California Breed

The world it was broken, the chasm is deep
The words they were spoken, oh, they will burn in my sleep
Oh, I checked with the shaman, oh, he said I should go
At the risk I was falling, and I live in the blowWhere do I belong? My soul is strong
Why you took so long? My soul is strongThere is no state, for my last great escape
But the life is strongI walk by the hillside, I look through the pain, oh,
Caleidoscope inside, I don't want to remainWhere do I belong? My soul is strong
Why you took so long? My soul is strongThere is no mistake, my last great escape
But the life within is strong
...is strong
There is no state, for my last great escape
I shake and roll, I'm not awoke,
But the life within, but the life within, the life within is strong
...is strong, strong, it's strong, oh yeah!
I'm strong!
