

Cant Let Go (Radio Edit)

Faydee

Can't can't can't go
Can't can't can't go
Can't can't can't go
Can't can't can't go Can't live a day without you baby
Oh no
If you're not here I don't know what I'm living for
You stared right in my eyes and said
Go slow
'Cause you've been hurt with that not once but twice before I I I
I don't wanna fight
You wanna say you trust me now but then you go and change your mind
I I I
Do it every time
Just because he hurt you bad it's in the past
I just wanna love you right Then she said don't let go
'Cause I've been hurt before
Said I've been hurt before
Yes, I've been hurt before So I said oh no no no
No, I won't let you go
No, I won't let you go
No, I can't let you go I can't let go
Even if I tried
I can't, I can't sleep at night
Swallow my pride and let it die
'Cause I I can't let go
Even if I tried
I can't, I can't sleep at night
I can't, I can't say goodbye
'Cause I I can't let go Can't can't can't go
Can't can't can't go
Can't can't can't go
Can't can't can't go Nobody seems to understand
Why I stay
When I know you'll end up pushing me away
You got me working overtime all day
And just to see that pretty smile upon your face I I I
I don't wanna fi-I-i-ight
You wanna say you trust me now but then you go and change your mind
Why I I I

Do it every ti-I-i-ime
Just because he hurt you bad it's in the past
I just wanna love you right then She said don't let go
'Cause I've been hurt before
Said I've been hurt before
Yes, I've been hurt before So I said oh no no no
No, I won't let you go
No, I won't let you go
No, I, I can't let you go I can't let go
Even if I tried
I can't, I can't sleep at night
Swallow my pride and let it die
'Cause I, I can't let go
Even if I tried
I can't, I can't sleep at night
I I can't, I can't say goodbye
'Cause I, I can't let go Can't can't can't go
Can't can't can't go
Can't can't can't go
Can't can't can't go I can't let go oh oh
Can't let can't let can't let
I can't let go
Even if I tried
I can't, I can't sleep at night
Swallow my pride and let it die
'Cause I I can't let go
Even if I tried
I can't, I can't sleep at night
I, I can't, I can't say goodbye
'Cause I, I can't let go Can't live a day without you baby
Oh no
If you're not here I don't know what I'm living for
