

# Solitaire

Andy Williams

There was a man,  
A lonely man  
Who lost his love  
Through his indifference.  
A heart that cares  
That went unshared  
And slowly dies  
Within his silence. Now Solitaire's the only game in town  
And every road that takes me takes me down,  
And by myself it's easy to pretend,  
I'll never love again.  
And keeping to myself I play the game,  
Without your love it always ends the same,  
While life goes all around me everywhere,  
I'm playing Solitaire. Another day, a lonely day,  
So much to say that goes unspoken.  
And through the night  
Each sleepless night  
The eyes are closed  
The heart is broken. Now Solitaire's the only game in town  
And every road that takes me takes me down,  
And by myself it's easy to pretend  
You're coming back again.  
And keeping to myself I play the game,  
Without your love it always ends the same,  
While life goes all around me everywhere,  
I'm playing Solitaire. Solitaire's the only game in town  
Every road that takes me takes me down ...
