

Praise The Lord And Pass The Ammunition

Serj Tankian

Come lay it down, wont you,
Come burn it down, cant you,
Lay it down, the guns above the ground
Come lay it down, wont you,
Come burn it down, cant you,
Lay it down, the guns above the groundNlelith is a prophet
From the prophet came the king
From the king came the pauper
From the pauper came the swing
From the swing came creation
From creation came love,
You don't know what this love is all about,Praise the Lord and pass the ammunition
Praise praise the Lord and pass the
ammunition,
Life affirming and our spiritual trustLay it down, wont you,
Come burn it down, cant you,
Lay it down, the guns above the groundNlelith is a prophet
From the prophet came the king
From the king came the pauper
From the pauper came the swing
From the swing came creation
From creation came love,
You don't know what this love is all about,Praise the Lord and pass the ammunition

When we see that blue dove
Do we ever have enough
