Spire

Thunderstone

Lying on the floor, I feel nothing
Trying to remember
Everything 's a haze, yesterday is gone
Feels like I 've been hypnotizedWill this be the last time?
I wonder will I ever learn?
Still searching for the rhyme
Maybe now it 's time for me to turnI rise, I fall
I always stand before I crawl
I smile, I rule
But who am I really trying to fool?I 'm on the spire
Reaching up to the sky high above
I 'm on the spire
And it 's on fire, I 'm going down belowAnother day, another year
And the wheel keeps on spinning
Another joy, another fear
I believe some day I 'll be winningEvery time I swear this will be the last time
Every time I crash to the ground
Every time I 'm standing on the spire
I fall but come around
