

# The Storm (Burnett & Cooper Vocal Remix)

**Jerry Roper**

Living a dream  
Places that I've seen  
It's nothing without you Searching my soul  
Don't know if you know  
I'm nothing without you  
Remember when we  
We were young and free  
Innocent virtues  
Searching my soul  
Little did i know  
I'm nothing without you And the storm is callin yeah  
I miss the sunlight on your face  
The rain is fallin yeah  
Since you left without a trace The storm is callin' yeah  
It's all the seasons in one day  
You hear me callin' yeah  
I long to feel your warm embrace
