

Our Lady ('99 Remix Version)

Deep Purple

Thinking out of line just to make the sun shine
Anyway I can be like you
Fighting with the truth
Trying to hide a fool in a fantasy
I'm dreaming, lay me down and take me now
Our Lady of the skies Hiding in the sun like a loaded gun reality
Aiming high at my dream
But I can get along
She makes me strong, anyway
I'm dreaming and there is no other way
Our Lady of the skies Flying in the sky with a bunch of high fidelity
I can hear your song
Offer me a ring just to show me your sincerity
I'm dreaming, let me go
Our Lady of the skies
