Tangled Memories

Gems

I do, do not, don't want to let go
but you're pulling me under and I can't keep my head afloat
I can, cannot, can't give what I don't got
if we don't got love then we got nowhere left to gotangled memoriesI can't forget this year I let you slip through my fingers, I was pushing you away
I give, I take, I bend, and I break
if it's already over I won't beg for you to staytangled memories
I can't get out of my head
I can't run from the weight of the things you said
I can't hide from the light and the things I've done
I keep fighting but all that I had is gone
and I lost myself...
