Here in Body

Birdcloud

I'm going out to black out
Shots alone in my house
And you will probably see me there
But as for me I'm unaware

Because I'm here in body
Not in my soul
I got a groovy body
Losing control

I'm getting drunk as fuck to fuck
'Cause I'm a fuckin' piece of shit
I'm getting higher than eagle tits
Here's my mouth pour beer in it

Because I'm here in body
Not in my soul
I've got a horny body
Losing control

I put my new cup in my old cup
See how many drinks I drank I drank up
Is this wagon wheel? Turn it up
'Cause Hootie's back and that's whats up

Because I'm here in body
Not in my soul
I've got a horny body
Losing control

Yeah

Because I'm here in body
Not in my soul
I've got a horny body
Losing control
