Some Written (NewVillager Remi)

Metronomy

I tried to catch you up but I'm too late
So as I finish up your lemonade
I'll send a message, some written, one sung
You left a number that's eight numbers longI though I did enough but that's my mistake
It's time to liven up your lemonade
I'll send a message, some written, one sung
You left a number that's eight numbers longThere's no getting over so I'm done
I'll forget the number and I'm gone
There's no getting over so I'm done
I'll forget the number and I'm gone
