

Big Fun

Stengun feat. Christina T

Have some fun, have some fun

Have some fun, have some fun

Burn it up

Let's burn up the night, baby, let's do it together, yeah

Let's burn up the night, let's have big fun, burn it up

The world is out, it's all over town

Your work is done, time for some fun

Let's get it on, the feeling is right

Come on, baby, let's do it tonight, I say

Have some fun, have some fun

Let's have some fun, baby

Let's have big fun tonight

Big fun tonight, let's have big fun

Let's burn up the night, baby, let's do it together

We're gonna, we're gonna do it together

Let's burn up the night, let's have big fun

Big fun, burn it up, burn it up

[Incomprehensible]Burn it up

Let's burn up the night, baby, let's do it together

We can do it together, yeah

Let's burn up the night, let's have big fun

Big fun, burn it up, burn it up

Burn it up, let's burn it up, fun

Burn up the night, big fun

Burn it up, let's burn it up, fun

Burn up the night, big fun

Have some fun, have some fun

Let's burn up the night, baby, let's do it together

We're gonna do it together

Let's burn up the night, let's have big fun

Big fun, burn it up, burn it up

Let's burn up the night, baby, let's do it together

We're gonna, we're gonna do it together
Let's burn up the night, let's have big fun
Big fun, burn it up, burn it up
Let's burn up the night, baby, let's do it together
And we can do it together, baby
Let's burn up the night, let's have big fun, big fun
Burn it up, burn it up
Let's burn up the night, baby, let's do it together
Let's burn up the night, let's have big fun
