

Bambi

Prince

I knew from the start
That I loved you with all my heart, but you were untrue
You had another lover and she looked just like you Bambi, can't you understand?
Bambi, it's better with a man It's so hard to believe
Maybe it's because you're so young
Or maybe I'm just too naive
Who's to say, maybe you're really having fun Bambi, can't you understand?
Bambi, it's better with a man oh, yeah All your lovers, they look just like you
But they can only do the things that you do
Oh come on baby and take me by the hand
I'm gonna show you what it's like to be loved by a man Bambi, I know what you need
Bambi, maybe you need to bleed, yeah
