Think

by Joan Osborne You better think (THINK!)

Think about what you're trying to do to me Think (THINK THINK)

Let your mind go. Let yourself go free I didn't even know you. You couldn't 'o been too much more than 10

Let's go back let's go back let's go way on back when

I ain't no psychiatrist I ain't no doctor with degrees

But it don't take too much IQ to see what you're doin' to me You better think (THINK!)

Think about what you're trying to do to me

Think (THINK THINK)

Let your mind go. Let yourself go free Freedom (freedom), Freedom (freedom) There ain't nothing you could ask

I can answer what you want

But I was gonna change my mind if you keep doin' things I don't You better think (THINK!)

Think about what you're trying to do to me

Think (THINK THINK)

Let your mind go. Let yourself go free People walkin' 'round everyday planning games and taking scores

Tryin to make other people lose their minds well be careful you don't lose yours You better think (THINK!)

Think about what you're trying to do to me Think (THINK THINK)

Let your mind go. Let yourself go free You need me and I need you

Without each other there ain't nothing we can do (vamp) Oh Freedom (freedom) Freedom (freedom) . . . There

ain't nothing you could ask I can answer what you want

But I was gonna change my mind if you keep doin' things I don't You better think (THINK!)

Think about what you're trying to do to me Think (THINK THINK) Let your mind go. Let yourself go free

You need me and I need you Without each other there ain't nothing we can do (vamp) Freedom . . .

Think ! . . .
