

# Like They Do On the TV

Kimbra

Find a place that keeps you safe  
Head down 'til the light of day  
Ain't nobody you can blame I've been looking for and wide  
Running from the fear inside  
Just close your eyes and drive 'Cause we are stronger now, than our fathers  
Catch your head, I'm calling out, I'm there  
Faint light flickering in the distance  
You were breaking in And we will find our way, then I'll know  
Just like they do on the TV  
Maybe we'll go from nothing to incredible  
Just like they do on the TV  
I'm older now  
But I feel my time start to begin  
Out on the road, they gonna advertise it  
And I'm buying in 'Cause we are stronger now, than our fathers  
Catch your head, I'm calling out, I'm there  
I'm not waking up if I'm dreaming  
It's where I want to stay And we will find our way, then I'll know  
Just like they do on the TV  
Maybe we'll go from nothing to incredible  
Just like they do on the TV And we will find our way, then I'll know  
Just like they do on the TV  
Maybe we'll go from nothing to incredible  
Just like they do on the TV  
Find a place that keeps you safe  
Head down 'til the light of day  
Ain't nobody you can blame I've been looking for and wide  
Running from the fear inside  
Just close your eyes and drive Just like they do on the TV  
Just like they do on the TV  
Just like they do on the TV  
Just like they do on the TV  
Just like they do on the TV  
Just like they do on the TV
