

Show Me the Money

IRS

This is definitely the wickedest thing I ever hear in my life!

Show off that body you got

You got the dance, glow so hot

You workin' that, you twerkin' that

You tickin' that like a clock

Can't nobody do it like I do it

When I do it, dog I do it

(Break it down)

Break it down, put your back into it

Man, y'all ain't ready for the ***** I'm doing

(So get up)

Get up, put your drinks down

Don't want y'all sloshing yo' drinks out

All over that cheap blouse

Ain't nothing but a swallow in it anyhow

(Still me)

Still me, I just changed the sound

To the other one I had and just swapped it out

(Switch!)

Kept somethin' in background

?Cause you love the song

But you in love wit the background

C'mon let a mama work for me

Make a player wanna spend some money

I don't really like spendin' money

But if you do what you do and do it well I'ma

Show off that body you got

You got the dance, glow so hot

You workin' that, you twerkin' that

You tickin' that like a clock

Show off that body you got

You got the dance, glow so hot

You workin' that, you twerkin' that

You tickin' that like a clock

Look good, and thick, nothin' in ?em, I'm hurtin'

No silicon, no lipo, no botox, no dumpty dump

All natural in today's world

When her mama brought her in this world

Good lookin' mama!

That good and hot and def make a athlete lose his breath
And if you got ass, move your little bump south
You're gonna need a couple skirts, fallin' out
10.5 on the Richter scale, the highest number you can go is 12
Shorty shake it like hell, we ought to be shame ourselves
The Creator couldn't rock the bed that well
Look at her breakin' it down ridin' this beat like wow!
If I was a jail man I'd gun her down
Show off that body you got
You got the dance, glow so hot
You workin' that, you twerkin' that
You tickin' that like a clock
Show off that body you got
You got the dance, glow so hot
You workin' that, you twerkin' that
You tickin' that like a clock
This is definitely the wickedest thing I ever hear in my life!

Ok!

I been sippin' on that Patron
I'm ready give you what you want
Might not feel the same way tomorrow
But I'll deal with that tomorrow
?Cause tonight you got me feelin'
Like I wanna take you home
Show off that body you got
You got the dance, glow so hot
You workin' that, you twerkin' that
You tickin' that like a clock
Show off that body you got
You got the dance, glow so hot
You workin' that, you twerkin' that
You tickin' that like a clock
