

Carry Me Home

Cervello

Need to leave this now
and heading my way for something new
all i have in mind
is were i can find a place to go on

carry me home
there's a place that i belong to
carry me home
where i belong

carry me home
therer's a place i stand up strong for
carry me home
where i belong

everytime i try
finding the path i know will lead on
makes me losing ground
when i can't find the place i call home

im feeling stronger.
a mess no longer
im at the end of the road
