

Can't Change a Thing

Catherine Britt

Kissed you twice it was nice

I will not apologise

Ran away too change my mind

Well at least I didn't lie

Do do do do do

Wherever I go there I am

Wherever I've been so I've been

I'll never take it back again

I can't change a thing

I was once really shy

I didn't know which way to go

Too afraid to speak my mind

Know I think that I might know

Do do do do do

Wherever I go there I am

Wherever I've been so I've been

I'll never take it back again

I can't change a thing

I can't change a

I can't change a

So there are things I may have done

I'm not proud of everyone

But everyone is who I am

I'd never take it back again

Wherever I go there I am

Wherever I've been so I've been

I turn around and I grin

I can't change a

Wherever I go there I am

Wherever I've been so I've been

I'll never take it back again

I can't change a

I can't change a thing

Do do do do do do do do(I can't change a in the background vocals until end of song)

Do do do do do do do do do

Do do do do do do do do

Do do do do do do do do do

Do do do do do do do do

Do do do do do do do do do

Do do do do do do do

Do do do do do do do doRead more: Catherine Britt - Can't Change A Thing Lyrics | MetroLyrics
