

Your Everything

[Keith Urban](#)

The first time I looked in your eyes, I knew
That I would do anything for you
The first time you touched my face, I felt
What I've never felt with anyone else I want to give back what you've givin' to me
I wanna witness all of your dreams
Now that you've shown me who I really am
I wanna be more than just your man I wanna be the wind that fills your sails
And be the hand that lifts your veil
And be the moon that moves your tide
The sun coming up in your eyes Be the wheels that never rust
And be the spark that lights you up
All that you've been dreaming of
And more, so much more
I wanna be your everything When you wake up, I'll be the first thing you see
And when it gets dark you can reach out for me
I'll cherish your words and I'll finish your thoughts
And I'll be your compass baby, when you get lost I wanna be the wind that fills your sails
And be the hand that lifts your veil
And be the moon that moves your tide
The sun coming up in your eyes Be the wheels that never rust
And be the spark that lights you up
All that you've been dreaming of
And more, so much more
I wanna be your everything I'll be the wheels that never rust
Be the spark that lights you up
All that you've been dreaming of
And more, so much more I wanna be your everything
I wanna be your everything
I wanna be your everything
