

You Stupid Girl

Framing Hanley

Feels like the walls are closing in on me
I'm suffocating I can barely breathe
And you've got me right where you want me

This is a side of you I've never seen
You're not the girl that you used to be
And you've got me right where you want me

You always know how to bring me down
Let's just face it now I'm never changing

You are my world, my everything
You stupid girl
Your gonna be the death of me
So let me go, just let me be
You stupid girl
I love the way you're killing me (killing me)
You stupid girl

You're like an angel but with broken wings
A heart so cold you could never show mercy
And you've got me right where you want me

You are my world, my everything
You stupid girl
Your gonna be the death of me
So,let me go, just let me be
You stupid girl
I love the way your killing me (killing me)
You stupid girl (killing me)
You stupid girl (killing me)

I know im a bastard
But i'm not a coward
Why cant you see
What your doin to me
Im fallin faster
More every hour
Why cant you see

What your doin to me

This is killing me

You are my world, my everything

You stupid girl

Your gonna be the death of me

So,let me go, just let me be

You stupid girl

I love the way your killing me (killing me)

You are my world, my everything

You stupid girl

Your gonna be the death of me

So,let me go, just let me be

I love the way your killing me (killing me)

You stupid girl (killing me)

You stupid girl
