

They Live In the Meadow

Black Moth Super Rainbow

People (people, people, people)
We don't know (know, know know)
Got away (away, away, away)
By the sunny side (side, side, side)
People (people, people, people)
We don't know (know, know know)
Got away (away, away, away)
By the sunny side (side, side, side) People (people, people, people)
We don't know (know, know know)
Got away (away, away, away)
By the sunny fields (fields, fields, fields)
People (people, people, people)
We don't know (know, know know)
Got away (away, away, away)
By the sunny fields (fields, fields, fields) People (people, people, people)
We don't know (know, know know)
Got away (away, away, away)
By the sunny side (side, side, side)
People (people, people, people)
We don't know (know, know know)
Got away (away, away, away)
By the sunny side (side, side, side)
