Understand Your Man

Tim Buckley

Well, let me tell all you pretty women
One tiny word of advice
Tell you pretty women
One tiny word of adviceJust do me one favor
Won't you please understand your manYeah, you should've gotta wake up in the mornin'
Keep your lovin' daddy by your side
You gotta wake up in the mornin'
Keep your lovin' daddy by your sideJust do me one favor
Won't you please understand your manWell, let me tell you, Miss Molly
Tell you 'bout my lovin' back home
I got a sweet little woman, yeah
You know that she'd never make me roam, roamShe's the only woman
That I know ever understand her manUnderstand
You gotta understand
Say, you'd understand
Understand
