Tried my best, but wasn't praisedHell is so close to heaven
Hell is so close to heavenHold on don't look back
You know we're better, we're better than that
Lost and thrown away
You know we're better, we're better than that
We are the strays (whoah)
We are the straysTrain tracks to the stage
Play that role
The one you made
Long nights and the worst days
Lived it all, but I didn't breakHell is so close to heaven
Hell is so close to heavenHold on don't look back
You know we're better, we're better than that
Lost and thrown away
You know we're better, we're better than that

I was born, but wasn't raisedHold on don't look back
You know we're better, we're better than that
Lost and thrown away
You know we're better, we're better than that
