

# We Got It (Without Rap, A.K.A. Radio)

## Immature

I'm given you all my time  
Just come and feel the flavor  
Whether its rain or shine  
Cuz we got it Thinkin of you is all I do  
Daydreamin' about my boo  
Crazy days I like your silly ways  
And just thinkin bout you  
What can I do I'm given you all my time  
Just come and feel the flavor  
Whether its rain or shine  
Cuz we got it I know our love is real  
You make my mind do flips  
Its funny how you make me feel  
Toss and turnin in my bed  
My time is just for you 24/7 our love is true I'm given you all my time  
Just come and feel the flavor  
Whether its rain or shine  
Cuz we got it Its the mack of the year in your ear  
With the flavor you've been waitin for  
A taste in your face don't take it personal  
4 deep we gonna creep for the street  
Smooth Batman and Romeo and LDB  
Throw your hands in the air put the bounce in your body  
Microphone check now scream ladi dadi  
Ain't no party like an Immature party  
Give 'em props, cuz you love what they got I'm given you all my time  
Just come and feel the flavor  
Whether its rain or shine  
Cuz we got it Don't you wanna feel the funk  
What we got is what you want  
Don't you wanna feel the funk  
What we got is what you want
