# Black History Month (Sammy Danger Remix)

## Death from Above 1979

Can you remember a time when this city was
A great place for architects and dilettantes
A nice place for mid waves and crossing guards
And on, and onHold on children
Your mother and father are leavingDo you remember a time when this pool was
A great place for water wings and cannonballs
A nice place for astrologists and blow up dolls
And on, and onHold on children
Your best friend's parents are leaving
