I Love You, You Big Dummy

Buzzcocks

You think I'm a lame duck
I don't give a blue fuck
I'm living like crazy
Driven to be lazyI blush like a tomato
Pale as a chipped potato
You're a real peach
Just out of reachWe're all cooking the same goose
A recipe of fiction
I stew in my own juice
In another kitchenYou think I'm a lame duck
I don't give a blue fuck
I don't give two hoots
You're too big for your bossy boots
