

# Rebel Child

Gretchen Wilson

Rebel child Rebel child, won't you heed my warnin'  
One of these days the rain'll come pourin'  
Some of those sunshine blue sky mornin's  
Might just turn to gray I understand why you do the thing you do  
There was a time when I was just like you  
I know right now you think you know it all  
There's no way that you can break  
No way you can fall Rebel child, won't you heed my warnin'  
One of these days the rain'll come pourin'  
Some of those sunshine blue sky mornin's  
Might just turn to gray Well I've been there and I know what you're thinking  
You're flying high but one day you'll blink and  
That cloud you're on will just start sinkin'  
Don't wait till it's too late whoa, oh rebel child I know you can't learn from my mistakes  
You've got your own road you've gotta take  
And it might look like it's paved in gold  
Just remember that you'll have to reap  
All the seeds you sew Rebel child, won't you heed my warnin'  
One of these days the rain'll come pourin'  
Some of those sunshine blue sky mornin's  
Might just turn to gray Well I've been there and I know what you're thinking  
You're flying high but one day you'll blink and  
That cloud you're on will just start sinkin'  
Don't wait till it's too late oh rebel child, oh rebel child Keep your feet on the ground  
And one eye one heaven do  
Do a lot of forgivin' and not much forgettin'  
And remember life is one big lesson Rebel child, won't you heed my warnin'  
One of these days the rain'll come pourin'  
Some of those sunshine blue sky mornin's  
Might just turn to gray Well I've been there and I know what you're thinking  
You're flying high but one day you'll blink and  
That cloud you're on will just start sinkin'  
Don't wait till it's too late oh rebel child, oh rebel child, oh rebel child
