

Wasting My Time

Boomkat

I don't think you understand that what you doin' is not so cool
You think it's funny to mess with my mind, don't you
You know I like you so you just tease me
You give me just enough to hang on and on When you're just wastin' my time
You're simply wastin' my time
So quit wastin' my time
Do you hear me when I say hmm? So let me ask you somethin' mmm
Do you think I'm pretty or don't you?
Do you wanna get with me or not at all? Ha, yeah Are you just wastin' my time?
You're simply wastin' my time
So quit wastin' my time And what have you got to say well things have got to change
See this just isn't right I don't wanna have to fight
And I think I'd better go 'cause this ain't workin' out any more
And I'm sorry, sorry, sorry Understand, that what you did was just not so cool
Baby, you're just not that cool
