Try

[Ian Van Dahl](#)

Don't try to run away...
'cause I understand what you're feeling.
Don't try to run away...
'cause I understand the pain that's tearing you apart.Just stay here with me.
So you will see...
that you belong to me.
We will be free[2x]
Give your heart.
Feel like a bird in the sky.
Flying on the wings of love.
Come into my open arms.Don't try to run away...
'cause I understand what you're feeling.
Don't try to run away...
'cause I understand the pain that's tearing you apart.Just stay here with me.
So you will see...
that you belong to me.
We will be free[2x]
Give your heart.
Feel like a bird in the sky.
Flying on the wings of love.
Come into my open arms.Don't try to run away...
'cause I understand what you're feeling.
Don't try to run away...
'cause I understand the pain that's tearing you apart.
