

Simon Says

Clawfinger

You say destiny decided what was meant to be
 I say I decide myself, what's to become of me
 Simon says there's not a chance we'll ever get along
 thing but we both think he's wrong You say we can't choose the path o
 I say I already know which path I'm walking on
 Simon says to both of us, we're not allowed to move
 None of us say anything but we both disapprove Simon says
 Simon says
 Simon says
 Simon says
 Simon says You say we can't change the world if it can't change itself
 I say I can't change the world before I change myself
 Simon says we're not allowed to change the world we see
 None of us say anything but we both disagree Simon says
 Simon says
 Simon says
 Simon says
 Simon says Simon says
 Simon says
 Simon says
 Simon says
 Simon says Simon says
 Simon says
 Simon says
