

# Mister Sandman

## Baldwin And The Whiffles

Mister Sandman, bring me a dream  
Make him the cutest that I've ever seen  
Give him two lips like roses and clover  
Then tell him that his lonesome nights are overSandman, I'm so alone  
Don't have nobody to call my own  
Please turn on your magic beam  
Mister sandman, bring me a dreamMister Sandman, bring me a dream  
Make him the cutest that I've ever seen  
Give him the word that I'm not a rover  
Then tell him that his lonesome nights are overSandman, I'm so alone  
Don't have nobody to call my own  
Please turn on your magic beam  
Mister Sandman, bring me a dreamMister Sandman, bring us a dream  
Give him a pair of eyes with a come hither gleam  
Give him a lonely heart like Pagliacci  
And lots of wavy hair like LiberaceMister Sandman, someone to hold  
Would be so peachy before we're too old  
So please turn on your magic beam  
Mister Sandman, bring us, please, please, please  
Mister Sandman, bring us a dream
